

Bounce

Albin Lee Meldau

She wrote, "Hun, come over
You're the one that I need"
Just one kiss on my shoulder
Let's me know you're the one for me
So, let's go to bed now

Bounce, my love
Bounce, my love
Bounce, my love
Do it for me
Bounce, my love
Bounce, my love
Bounce, my love
Do it for me

She said, "Don't you worry
You're more than I need"
Well, there's something in the air now
Don't you know what you do to me?
So, let's go to bed now

Bounce, my love
Bounce, my love
Bounce, my love
Do it for me
Bounce, my love
Bounce, my love
Bounce, my love
Do it for me

My lady love, lay your love on me
My lady love, you are

Bounce, my love
Bounce, my love
Bounce, my love
Do it for me
Bounce, my love
Bounce, my love
Bounce, my love
Do it for me

Do it for me
Do it for me
