

Leave you no more

Alborosie

Your love is mine i see it shine in your eyes, it's clear, you're mine
and every day, keep on calling me, your love is mine, is mine, is mine.

I m no gonna leave you no more, it's so strange but i need it i'm sure
I m no gonna leave you no more, it's so strange but i need it i'm sure.

sometime it seems like your smile, as hidden tears that you own
cry, tell me you cant deny
sometime you wish you could fly away, and i give you hearts away, love me.

I m no gonna leave you no more, it's so strange but i need it i'm sure
I m no gonna leave you no more, it's so strange but i need it i'm sure.

every day woman you show me how love myself, get you no love yourself
you not go love someone else
it's a fifty fifty, give and take, build and break do it for real
just neva fake woman you keep me awake
it was love my life it's coming together, girl my song with you will
fate forever
woman you're a melody that mi never hear before, the sweetest song
i never heard, i need you more and more

i m no gonna leave you no more (no way), it's so strange but i need it i'm sure
i m no gonna leave you no more, (no no) it's so strange but i need it i'm sure.

I'm falling upon his all misunderstanding, a wiseman always try to do it right
so forgive me if I betread you love untrying, so forgive myself, i ve just loose my sun

i m no gonna leave you no more, it's so strange but i need it i'm sure
i m no gonna leave you no more, it's so strange but i need it i'm sure.
i m no gonna leave you no more, it's so strange but i need it i'm sure
i m no gonna leave you no more, it's so strange but i need it i'm sure.
