Easy player, genna deh yah, a run it like a mayor
Good ones get the prayers, while a sentence for the slayers
Start tun on the heat on, every level, every layers
We send out crocodiles pon the acres

We true to the game (We true to the game)
We do it for the game (We do it for the game)
Not for the fame (Not for the fame)
Selassie a the flame (Selassie a the flame)
True to the game (True to the game)
True to the lane (True to the lane)
Food for the brain (Food for the brain)
Ready the same
We rasta we nah beg no favor
Nah mix up jehovah with paper
We are under regime of the savior
We a punish who have no behavior

Jah knows why alborosie go send for me
Here's a warning to all the enemies

Here's a warning to all the nemesis
No genocide this is the genesis

In every tenament there's ten a me
So tell every enemy say them couldn't be no frenemy
And if speaking the truth is wrong then charge me a felony
Man a general in a very penitentiary
Albo tell them this

Ready or not here I come
A beat di bringi drum until babylon dem done
Music a me weapon so me don't need no gun
No evil heart welcome in a jah jah kingdom
Are you ready? (Are you ready?)
Are you ready? (Are you ready?)
Are you ready? (Are you ready?)
Are you ready? (Are you ready?)
Are you ready? (Are you ready?)
Are you ready? (Are you ready?)
Are you ready? (Are you ready?)
Are you ready? (Are you ready?)
Are you ready? (Are you ready?)
