

To Whom It May Concern

Alborosie

It's a global judgment and destruction
Yes, I and I shall defeat the monster without prejudice or fear Welcome Sela
ssie, join the chorus, woah

To whom it may concern
Babylon, the table shall turn, yo
Makonnen fire shall burn
Rastafari lion return, yo
To whom it may concern
Babylon, the table shall turn, yo
Makonnen fire shall burn
Rastafari lion return, yo

I don't know first class right there
Don't blame but a mummy that's a lonesome fish here
From the bingy man a chant, we roll like a snare
Maggot set pon the oaky man, well start the fanfare
Bundum, Batuka, Labey and the gromper
We hook them and a chop them like we scale red snapper
The road is rocky, yo, the road patchy, patchy
Rasta must kick Mussolino like a Minion Schillaci, yo, yo
Right yah now, we stick on them story
Right yah now, we tell you all that them

To whom it may concern
Babylon, the table shall turn, yo
Makonnen fire shall burn
Rastafari lion return, yo
To whom it may concern
Babylon, the table shall turn, yo
Makonnen fire shall burn
Rastafari lion return, yo

Woah, yo, yo, Alborosie never frozy, never drowsy
Inna the Vatican policy, nah feel too cozy
Mischievous like the weather, when it a get lousy
Terrible like Sandy pon the shore of Jersey, woah
Judgement lit down land and Roman Paris
Flat down Jamaica from parish to parish
Common sense a tell us seh we must cleanse up with soul
Unuh better hold on to my word, yo

To whom it may concern
Babylon, the table shall turn, yo
Makonnen fire shall burn
Rastafari lion return, yo
To whom it may concern
Babylon, the table shall turn, yo
Makonnen fire shall burn
Rastafari lion return, yo

Woah, yo, yo, yo
Now we no short of intelligence
We overstand the cause, let's call it negligence
Politicians puppeteer trying to buy the arguments
Ghetto youth dem keep the bucket, are still a trumpets
Woah, yo

Bundum, Batuka, Labey and the groomper
We hook them and a chop them like we scale red snapper
The road is rocky, yo, the road patchy, patchy
Rasta must kick Mussolino like a Minion Schillaci, yo, yo

To whom it may concern
Babylon, the table shall turn, yo
Makonnen fire shall burn
Rastafari lion return, yo
To whom it may concern
Babylon, the table shall turn, yo
Makonnen fire shall burn
