

## Painted Lover

Alcatrazz

Street wise, smooth thighs, dress for your pleasure  
Your old man says, "Young man, stand and deliver"  
She just wants that hard stash, hot from your pocket,  
She don't need your credit card  
So shove it, if you've got it.

Sailing on her waterbed  
Side by side and head to head

Painted love, painted love, painted lover  
Painted love, painted love, painted lover

Pin striped city tyke has a soft underbelly,  
He's transfixed by the heel clicks  
And he ducks down the alley  
Silken legs stiletto spurred  
Pulls you in to make you hers
