Dance With The DJ (Original Edit)

Alcazar

DJ
Ooh – aah
Again and again
Ooh – aah
Again and again
Oh my God
Dance with the DJ

The Club Sexual on Rue de France
A one night song – a one night stand
On disco floors got hard core
And choose the DJ – not the man

The record he plays like sexual waves
I felt the music in his touch
The look in his eyes
The rhythm inside
I want this night to last forever

Feel the DJ making love to me
The deeper the groove the faster I breathe
My body vibrating from the frequency
Oh – dance with the DJ
Intensity builds and I feel the rush
The way that I scream the sound of my love
He took me tonight on the dancefloor of the club
Yeah – dance with the DJ

Ooh – aah
Again and again
Ooh – aah
Again and again
Oh my God
Dance with the DJ

I know the song – I don?t know his name
I feel the signature in his sound
The sweat reacts on my pretty face
I fantasize how I go down

So play for me – we?ll be discrete
Noone will know noone will see
Lost in the song we?ll go all night long
I want this night to last forever

Feel the DJ making love to me …

Dancer and DJ becoming one
Calling my body and I?m ready to come
The way that I dance – you know the way I love
Oh – dance with the DJ
The finger on the groove making me wet
The deeper you go the more I sweat
He took me tonight on the dancefloor of the club
Yeah – dance with the DJ

I want this night to last forever

I want this night to last forever
Forever
Forever
Forever
Dance with the DJ

Feel the DJ making love to me …

Ooh – aah …
