Don't Leave Me Alone

Alcazar

Leave me alone
Can't you see I can't stop crying
I get down on my knees
I'll be begging you please
Don't leave me alone
Leave me alone
Don't leave me alone
Leave me alone
Don't leave me alone
Last night we were celebrating
You played truth or dare
I came out hallucinating
And love was in the air
We met down in clubland
We had an affair
We danced in the spotlight
The fire was there
You said I'm the only
Then walked out of town
I beg you please don't turn around
Leave me alone
Can't you see I can't stop crying
I get down on my knees
I'll be begging you please
Don't leave me alone
Leave me alone
Can't you see I can't stop crying
If you walk out that door
I can't stand it no more
Don't leave me alone
Sitting through this courtroom drama of who did what to whome
Stand accused of cold seduction
The cameras ready zoom
You said there was more
That your love was for real
You said you'd come back for my heartache to heal
I stand on a bridge
And I'm ready to fly
This time it's my last goodbye
Leave me alone
Can't you see I can't stop crying
I get down on my knees
I'll be begging you please
Don't leave me alone
Leave me alone
Can't you see I can't stop crying
If you walk out that door I can't stand it no more
Don't leave me alone
Leave me alone
Can't you see I can't stop crying
I get down on my knees
I'll be begging you please
Don't leave me alone
Leave me alone
We met down in clubland
We had an affair
We danced in the spotlight

The fire was there
You said I'm the only
Then walked out of town
I beg you please don't turn around
You said there was more
That your love was for real
You said you'd come back
For my heartache to heal
I stand on a bridge
And I'm ready to fly
This time it's my last goodbye
Leave me alone
Can't you see I can't stop crying
I get down on my knees
I'll be begging you please
Don't leave me alone Leave me alone
Can't you see I can't stop crying
If you walk out that door I can't stand it no more
Don't leave me alone
