

Reincarnation

Aldious

I was murdered by you my beloved
Only my soul wanders this mundane world.
I search for a body of my own tonight, ...and for you.

tsukiyo togaru sora kumori hajimetara
kishimu oto dake ga semari kuru yoru wa
I'm behind you.

anata wa kidzui tenai konoyo no ai no omo-sa
an'nani mo aishita no ni
watashi o yatta ai no wana
o nozomi-dōri ni shite ageru wa
I'll continue to love you forever.

uramu hazu mo nai nani o sa reyou to
ima ni noriutsuru koto ga dekirukara I'm behind you.

kon'ya mata ano ko o dakunara doa ni kagi o kake
zonbun ni koshi o fureba i
kidzuita toki ano ko no kao o yoku mite mite
watashi yo? I'll continue to love you forever.

anata ni kidzuka retai watashi no ai no omo-sa
kon'nani soba ni iru no ni
sugata no nai I know wana
anata ni kakete mite ageru wa
I'm looking over you forever.

No matter if you kill me. I'll always forgive you.
Even if you killed me. I'll never change my love for you.
No matter if you kill me. I'll always forgive you.
Even if you killed me. I'll never change my love for you.
