

We Are

Aldious

I suffered one day.
I cried one night
Crouching alone looking
like a pupa glowing

Hoping one day to
find something true
I keep on flying high
I won't let you regret

なんどだってよみがえり ばたいて みる
(nando datutte yomigaeri habataite miseru)

We are
We are
We are
Burn it in those eyes!!

When you are lost
Let five soul colors guide
Light Your feet bright and
shows you all the way

なんどだって 土曜日の 朝の さき
(nando datutte tureteikuyo egao no sachie)

We are
We are
We are
Burn it in those eyes!!
