Koe ni suru no ga kowakute u tsumu ita
Hi o omoidashite

Hoho o tsutatta namida
Sabita me ga miageru shisen ni wa yozakura

No you won't leave me alone
Never will leave me alone
How do I shine my light?
I'll be riding the light with you...

Watashi no naka ni fukiareru hana

Ano toki to chigau sono sugata ni kidzuite...

Setsunaku awai sakihokoru hana
Hirari mai ochitanara
Seisaiwohanatsu sono sakini wa yozakura

No you won't leave me alone
Never will leave me alone
How do I shine my light?
I'll be riding the light with you...
