

denial

aldn

This can't be right, this can't be right
I didn't mean for us to fight, I'm afraid of the height
I'm on the edge like I could fall again, you're not my friend
I'm always falling in, to love again

So you were right, I'm not your type
Baby, you go home for the night, I swear I'll be alright
But I don't wanna be annoying again, just me and friends
Looks like my dog is my only friend

Oh-oh, oh-oh
Oh-oh, oh-oh
Oh-oh, oh-oh
Oh-oh, oh-oh

You're up all night, with me on your mind
I know I'm probably not right, but I like to fight about
If you really love me not, do you think I'm high
Can I get another shot, you're all I've got
The nests they're in
Are we gonna end this stupid game of pretend
Don't act like we're friends
Because you really were a part of me, why can't I see
You really were the start of me, but I like being free
I don't know what I want, I don't know what I need
I'm in denial but I want you next to me

Oh-oh, oh-oh
Oh-oh, oh-oh
I can't make up my mind, I can't make up the time
I'm in denial but I want you to be
Mine (oh-oh), mine (oh-oh)
Mine (oh-oh), mine (oh-oh)

Oh-oh, oh-oh
Oh-oh, oh-oh
Oh-oh, oh-oh
Oh-oh, oh-oh
