Forget you-you-you-you-you-you-you
Forget you-you-you-you-you-you-you
Forget you-you-you-you-you-you-you
Forget you-you-you-you-you-you-you
Forget you-you-you-you-you-you-you
Forget you-you-you-you-you-you-you
Forget you-you-you-you-you-you-you
Forget you-you-you-you-you-you-you
Forget you

It's so funny 'cause you never had a clue
You pull the trigger but can't even count to two (Count to two)
They ask me, "Aldn, why are you feelin' so blue?"
Because of you, because of you
I don't wanna start somethin' new
Can't forget the pain you put me through
Now I don't know what to do
I don't know what to do

I can't recall what the thing is that you came over me
I'm playin' games with their head, I know that they're onto me
Losin' crabs in a bucket, I like to watch and see
They climb all over each other, to give 'em, help out a brother
How can I be a helping hand? How can I be a bigger man?
Too much supply for demand
[?] just set up and plan
I watch my money expand
Don't think that you'd understand
It was a part of the plan
Just like I told you, I said

Forget you-you-you-you-you-you-you
Forget you-you-you-you-you-you-you
Forget you-you-you-you-you-you-you
Forget you-you-you-you-you-you-you
Forget you-you-you-you-you-you-you
Forget you-you-you-you-you-you-you
Forget you-you-you-you-you-you-you
Forget you-you-you-you-you-you-you
Forget you
