If you were dead!
Do you think she'd even care?
It's all pretend!
He's just waiting for the funeral to end!
She runs her fingers thru your hair
He's just a friend!
But she been spending every weekend with her friends!
Do you think he'd even listen if you said,
That she's the only reason you're a threat!
Do you think he'd even listen if you said,
That you been sleeping with a pistol by your

Headstrong gunner your life is not no fun
Go and find a reason to leave and don't hurt no one in the chamber
you can't change the outcome
Go find somebody to be and don't hurt no one

You took a step!
But she didn't even notice that you left
Is he with her well it's anybody's guess
I see you fighting for a bit of self respect
But now we're all a little worried you're obsessed
Cause you feel a little funny in your chest
When you think about another in her bed
And they really should've listened when you said
That you been sleeping with a pistol by your

Headstrong gunner your life is not no fun
