

i do it all again

aldn

Just pretend

And it's like goddamn, I do it all again
Wake up and act like I'm fine, just pretend
Like goddamn, I don't see the end
Another day passes, don't know where it went
Like goddamn, all these people insane
Got them going insane just for money and fame
Like God, do it all the time, do it all the time

So girl, you're wasting your time, you'll never be mine
But it don't gotta be that serious
So girl, sit where you stand with your heart in your hand
You got inside my head but you never stood a chance
So take another glass with these pills in my hand
Thirty milligrams, I can't even stand
Just one more dance, please hold my hand

Goddamn, so I do it all again
Wake up and act like I'm fine, just pretend
Like goddamn, I don't see the end
Another day passes, don't know where it went
Like goddamn, all these people insane
Got them going insane just for money and fame
Like God, do it all the time, do it all the time
