Say you feel the pressure
Of overlooking eyes
You know you want her
But never could decide
Is it torture? Is it slaughter?
Submit for sacrifice
Is it something in the water?
Could you tell me

Do my eyes
Deceive me?
Tell me, do my eyes
Deceive me?
Tell me, do my eyes

Say you feel the same
And it's, oh, so useless
To say it's too much pain
And I can't live like this
It's all, it's all so stupid
It's all so trivial to me
Is this torture? Is this slaughter?
Will you tell me

Do my eyes
Deceive me?
Tell me, do my eyes
Deceive me?
Cold you tell me, do my eyes
Deceive me?
Tell me, do my eyes
Deceive me?
Cold you tell me, do my eyes
