

Fantasy 2.0

Aldo Nova

City nights, summer breeze makes you feel alright
Neon lights, shinin' brightly, make your brain ignite
See the girls with the dresses so tight
Give you love if the price is right
Black or white, in the streets there's no wrong and no right, n
o

Out of sight, buy your kicks from the man in the white
Feels alright, powder pleasure in your nose tonight
See the kids shoot each other and die
On the street no one gets out alive
City life, sure is cool but it cuts like a knife, like a knife
It's your life

So forget all that you see
It's not reality
It's just a fantasy

Can't you see what this crazy life is doin' to me, yeah
Life is just a fantasy, can you live this fantasy life
Life is just a fantasy, can you live this fantasy life

So forget all that you see
It's not reality
It's just a fantasy

Can't you see what this crazy life is doin' to me, yeah
Life is just a fantasy, can you live this fantasy life
Life is just a fantasy, can you live this fantasy life

Life is just a fantasy
Life is just a fantasy
Life is just a fantasy

So forget all that you see
Forget all that you see
Forget all that you see
It's just a fantasy
