

## Old Peel

Aldous Harding

Right now at the top of the count  
Hot clown and the creek is turning  
Give back the sheets of Easter  
Get more for your money, man  
Right now, kick out  
Kick out for the light and lighter

Give that which you mean to get back  
See these are the streets of favor  
Hang down like the feet of Easter  
You're bad for me now, baby  
Right now, hang down  
He won't meet if you don't meet, baby

Throw up if you mean to move up  
See these are the cheats of labour  
No one's too cute to see that  
You won't leave if she just meet, baby

Old peel, no deal  
I won't speak if you call me baby  
Old peel, no deal  
I won't speak if you call me baby

Right now at the top of the count  
Hot clown and the creek is turning  
Give back the sheets of Easter  
Get more for your money, man

Old peel, no deal  
I won't speak if you call me baby  
Old peel, no deal  
I won't speak if you call me baby
