Aldous Harding

I'm saved, I'm saved  
And, oh, would you believe it?  
On the third day  
I felt his presence near me

I know they won't believe me  
I've got favorite memories  
I know they won't  
Choose to believe me

I'm saved, I'm saved  
And, oh, would you believe it?  
You won't regret  
If you choose to believe it

Freedom, silence, always, yeah

Yeah, yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah

I'm saved, I'm saved  
And, oh, would you believe it?  
On the third day  
I felt his presence near me

Darkness always  
But I have my memories  
I know they won't
