

# Tick Tock

Aldous Harding

Oh the dirty of it  
Ripped the label  
You were chosen man  
Holy

Party people they all want to start at me  
All I want's an office in the country

Wanted to see me, what're you gonna do?  
Now that you see me  
Tick tock

Wanted to see me, what're you gonna do?  
Now that you see me  
Tick tock

Oh the dirty of it  
Ripped the label  
I believe him  
Holy

All I want's an office in the country  
All I want's an office in the country

Now that you see me, what're you gonna do?  
Wanted to see me  
Tick Tock

Wanted to see me, what're you gonna do?  
Now that you see me  
Tick tock

Now that you see me, what're you gonna do?  
Wanted to see me  
Tick tock

Now that you see me, what're you gonna do?  
Wanted to see me  
Tick tock

Now that you see me, what're you gonna do?  
Wanted to see me  
Tick tock

Now that you see me, what're you gonna do?  
Wanted to see me  
Tick tock
