

Warm Chris

Aldous Harding

Closer to you is not closer to me
Rolling, rolling free
I look away
But I've got my ticket on me all day
I used to love watching planes turn up there

Gimme an A
Gimme an L
Kidding I can't spell
Are you ready?
Oh Crystal
I got the love for you now
Crystal
Not that you need it eh girl
Crystal

I look away
Have I had a wicket on me all day
I love watching paper planes burn out there

Gimme a K
Gimme an I
Alright I'm on time
Are you ready?
You make that impossible face
You make it impossible

Oh Crystal
I got the time for you now
Crystal
Not that you'll spend it eh girl
Crystal

Oh Crystal
I got the love for you now
Good luck, not that you'll spend it eh girl
Crystal

You make that impossible face
You make it impossible
You make that impossible face
You make it impossible
Oh Crystal
