

## 50 First Days

Alec Benjamin

Was she making food in the kitchen?  
She can't remember  
She can't remember  
Was she finished washing the dishes?  
She can't remember  
She can't remember

She had two sons  
And a daughter  
A mother and a father  
But she can't remember  
She can't remember

Staring at the frame on her nightstand  
With no recognition  
No recognition  
I understand her being so frightened  
In this condition  
In this condition

But every day that she enters  
Is a brand new adventure  
'Cause she can't remember

She can't remember  
All the places that we used to go  
She can't remember  
All the movies that we watched at home  
Like "Fifty First Dates"  
I love her the same  
Her fifty first days  
A beautiful shame

There comes a time when someone will leave you  
But what if that someone  
Is right there beside you?  
I wrote a song to sing for that someone  
Everyday like a new song  
Each day like a preview  
'Cause tomorrow she'll listen  
Like a new song I've written  
'Cause she can't remember

She can't remember  
All the places that we used to go  
She can't remember  
All the movies that we watched at home  
Like "Fifty First Dates"  
I love her the same  
Her fifty first days  
A beautiful shame

And we'll sing  
Nah na nah na nah na nah na nah na nah nah nah  
And we'll sing  
Nah na nah na nah na nah na nah na nah nah nah  
And we'll sing

Nah na nah na nah na nah na nah na nah nah nah  
And we'll sing  
Nah na nah na nah na nah na nah na nah nah nah

Everyday that she enters  
Is a brand new adventure  
'Cause she can't remember  
She can't remember
