

## 6 Ft Apart

Alec Benjamin

They say distance is relative  
And relative to relatives I have  
I'd say I'm relatively close  
To breaking down  
Because right now  
I feel so alone  
I've been missing the elements and  
Wishing the elephant in the room  
Would leave and kindly close the door  
I can't ignore  
Him like before  
Not anymore

Oh, I miss you most at  
Six feet apart when you're  
Right outside my window  
But can't ride inside my car  
And it hurts to know just how lovely you are  
And be too far away to hold, but close enough to break my heart  
I miss your smile  
Feels like miles  
Six feet apart

So far, so far but so close  
Like a star out in the cosmos  
Can't touch the beauty I see  
That's how it all feels to me  
So far, so far but so close  
Like a star out in the cosmos  
Can't touch the beauty I see  
That's how it feels at six feet

Space and time are interwoven  
Well, at least that's what we're told  
When I was young, I was suspicious, but it's true  
Time sticks like glue  
I feel so blue  
Here missing you  
So I think I'll build a time machine and go back to a time  
When we didn't need to measure six feet on the ground  
When I came around  
That's not allowed  
I can't go back now

So I miss you most at  
Six feet apart when you're  
Right outside my window  
But can't ride inside my car  
And it hurts to know just how lovely you are  
And be too far away to hold, but close enough to break my heart  
I miss your smile  
Feels like miles  
Six feet apart

So far, so far, but so close  
Like a star out in the cosmos  
Can't touch the beauty I see

That's how it all feels to me  
So far, so far, but so close  
Like a star out in the cosmos  
Can't touch the beauty I see  
That's how it feels at six feet
