

At The Bottom

Alec Benjamin

Tryna get to the bottom
Tryna get to your heart
But I don't, but I don't
But I don't know where to start
At the bottom
But I've been kept in the dark
And I don't, and I don't know where to start
No matter what I find
I'll never leave your side
Even at the bottom
I'm tryna get to the bottom

Tell me, is it something that I said?
That made you turn the other way in bed
In this bed
You've been whispering words under your breath
Wish I knew the thoughts inside your head
In your head

You're distant when you're hungry
Smile when you're sad
I can read it on your body
When you're mad and you don't wanna talk it over
But this just isn't that

I'm tryna get to the bottom
Tryna get to your heart
But I don't, but I don't
But I don't know where to start
At the bottom
But I've been kept in the dark
And I don't, and I don't know where to start
No matter what I find
I'll never leave your side
Even at the bottom
I'm tryna get to the bottom

Tell me, do you wanna make this work?
Do you wanna sit there in this hurt?
In this hurt?
I know if you let me, I can help
I really want to fix this, can't you tell

You're distant when you're hungry
Smile when you're sad
I can read it on your body
When you're mad and you don't wanna talk it over
But this just isn't that

I'm tryna get to the bottom
Tryna get to your heart
But I don't, but I don't
But I don't know where to start
At the bottom
But I've been kept in the dark
And I don't, and I don't know where to start
And no matter what I find

I'll never leave your side
Even at the bottom
I'm tryna get to the bottom
