

# Swim

Alec Benjamin

I've been falling much more deep  
Than I wanna  
I've been wishing I could breathe  
Underwater  
I hold my breath  
I can't see what comes next  
I don't know when  
I'll see dry land again

Another 40 days I'm lost at sea  
I'm just gonna swim until you love me  
Hoping that your heart will rescue me  
I'm just gonna swim until you love me  
Swim until you love me  
Swim, swim, swim  
Swim until you love me  
Swim, swim, swim

I've been drowning in these sheets  
Feeling lonely  
Wishing you were here with me  
Every morning  
Over my head  
The tide comes rolling in  
I don't know when  
I'll see dry land again

Another 40 days I'm lost at sea  
I'm just gonna swim until you love me  
Hoping that your heart will rescue me  
I'm just gonna swim until you love me  
Swim until you love me  
Swim, swim, swim  
Swim until you love me  
Swim, swim, swim

Hey, hey, hey, hey, hey, hey, hey, hey  
I will never get over you

Another 40 days, I'm lost at sea  
I'm just gonna swim until you love me  
Hopin' that your heart will rescue me (Hey, hey)  
I'm just gonna swim until you love me (Hey, hey)  
Swim until you love me (Hey, hey)  
Swim, swim, swim (Hey, hey)  
Swim until you love me (Hey, hey)  
Swim, swim, swim (Hey, hey)

I will never get over you
