

I hung up the phone tonight  
Something happened for the first time  
Deep inside, it was a rush, what a rush  
'Cause the possibility  
That you would ever feel the same way about me  
Just too much, just too much

Why do I keep running from the truth?  
All I ever think about is you  
Got me hypnotized, so mesmerized  
And I just gotta know

Do you ever think when you're all alone  
All that we can be, where this thing can go?  
Am I crazy or falling in love?  
Is it real or just another crush?  
Do you catch a breath when I look at you?  
Are you holding back like the way you do?  
'Cause I've tried and tried to walk away  
But I know this crush ain't going away  
Going away

Does it ever cross your mind  
When we're hanging, spending time, girl  
Are we just friends?  
Is there more, is there more?  
See it's a chance we gotta take  
'Cause I believe that we can make this into  
Something that'll last  
Last forever, forever

Do you ever think when you're all alone  
All that we can be, where this thing can go?  
Am I crazy or falling in love?  
Is it real or just another crush?  
Do you catch a breath when I look at you?  
Are you holding back like the way you do?  
'Cause I've tried and tried to walk away  
But I know this crush ain't going away  
Going away

Why do I keep running from the truth?  
All I ever think about is you  
Got me hypnotized, so mesmerized  
And I just gotta know

Do you ever think when you're all alone  
All that we can be, where this thing can go?  
Am I crazy or falling in love?  
Is it real or just another crush?  
Do you catch a breath when I look at you?  
Are you holding back like the way you do?  
'Cause I've tried and tried to walk away  
But I know this crush ain't going away  
Going away  
But I know this crush ain't going away
