I Found A Way

Alec Chambers

Well, I never thought that it'd be so simple, but
I found a way, I found a way
I always thought that it'd be too crazy, but
I found a way, I found a way

If you open up your mind
See what's inside

It's gonna take some time to realign
But if you look inside, I'm sure you'll find
Cause over your shoulder you know that I told you
I'll always be pickin' you up when you're down
So just turn around

Now that I know that anything's possible
I found a way, I found a way
No one can break what's so unbreakable
I found a way, I found a way

If you open up your mind
See what's inside

It's gonna take some time to realign
But if you look inside, I'm sure you'll find
Over your shoulder you know that I told you
I'll always be pickin' you up when you're down
So just turn around
