

# Karma

Alec Chambers

I was a bad girl, I did some bad things  
I swear I did it all for fun and it meant nothing  
It never happened, it was a secret  
Like when a tree falls in the forest, no one hears it  
Another late night, another crazy mood  
And I didn't think twice what it would do to you  
I was a wild child, you always knew it  
It was a matter of time before I blew it

Thou shall not lie, thou shall not cheat  
Thou shall not get caught or you'll end up just like me, oh

Karma's a bitch, I should've known better  
If I had a wish, I would've never effed around  
When I saw the pics of you and her, I felt the knife twist  
Karma's a bitch, and she's with you right now

She is a good girl, I think she's boring  
Believe me, twenty minutes later, you'll be snoring  
But it still kills me that you hooked up with her  
And now the universe is giving me what I deserve

Thou shall not lie, thou shall not cheat  
Thou shall not get caught or you'll end up just like me, oh

Karma's a bitch, I should've known better  
If I had a wish, I would've never effed around  
When I saw the pics of you and her, I felt the knife twist  
Karma's a bitch, and she's with you right now

(Woah, oh, oh, oh-oh) Karma's a bitch  
(Woah, oh, oh, oh-oh) Karma's a bitch  
Better be good, 'cause what goes around, comes around  
Karma's a bitch, and she's with you right now
