

NEED A MINUTE

Alec Chambers

I know you're gonna hate this song
And baby, you did nothing wrong
I'm sorry to fuck up the plans
I know that you won't understand
I don't wanna stay too long
I got something going on

You've been dreaming of apartments
Vintage rings and carpets
But that ain't where my heart is
I'm sorry

Ooh, I'm gonna need a minute
I know you're feeling different
I'm not dying to admit it
But my heart has hit a limit
Ooh, you're gonna hate me for a minute
I'll be sorry that I did it
You'll fall harder for somebody
And you'll be happy that it's not me
And you'll be happy that it's not me

I wish I never wrote this song
Telling you all hope is gone
Don't wanna spin out your wheels in the sand
But I can't control where you land
Wishing I could wave a wand
Instead I gotta break this bond

You've been dreaming of apartments
Vintage rings and carpets
But that ain't where my heart is
I'm sorry

Ooh, I'm gonna need a minute
I know you're feeling different
I'm not dying to admit it
But my heart has hit a limit
Ooh, you're gonna hate me for a minute
I'll be sorry that I did it
You'll fall harder for somebody
And you'll be happy that it's not me
I know you're gonna hate this song
And you'll be happy that it's not me
I know you're gonna hate this song

You've been dreaming of apartments
Vintage rings and carpets
But that ain't where my heart is
I'm sorry

Ooh, I'm gonna need a minute
I know you're feeling different
I'm not dying to admit it
But my heart has hit a limit
Ooh, you're gonna hate me for a minute
I'll be sorry that I did it

You'll fall harder for somebody
And you'll be happy that it's not me
And I know and I know and I know
And you'll be happy that it's not me
And you'll be happy that it's not me
