

Please Please Please

Alec Chambers

I know I have good judgment, I know I have good taste
It's funny and it's ironic that only I feel that way
I promise 'em that you're different and everyone makes mistakes
But just don't
I heard that you're an actor, so act like a stand-up guy
Whatever devil's inside you, don't let him out tonight
I tell them it's just your culture and everyone rolls their eyes
s
Yeah, I know
All I'm asking, baby

Please, please, please
Don't prove I'm right
And please, please, please
Don't bring me to tears when I just did my makeup so nice
Heartbreak is one thing, my ego's another
I beg you, don't embarrass me, motherfucker, oh
Please, please, please

Well, I have a fun idea, babe, maybe just stay inside
I know you're cravin' some fresh air, but the ceiling fan is so
nice
And we could live so happily if no one knows that you're with me
I'm just kidding, but really, really, really

Please, please, please
Don't prove I'm right
And please, please, please
Don't bring me to tears when I just did my makeup so nice
Heartbreak is one thing, my ego's another
I beg you, don't embarrass me, motherfucker, oh
Please, please, please
