

Waffle House

Alec Chambers

We never knew how to forfeit
But we always knew how to talk shit
Couple nights, threw gasoline on the fire
We never knew how to perfect
But we always knew it would work

'Cause if somethin' misread
Or if somethin' got said
Know before the night ends

No, don't get stressed, it's gon' get figured out
Oh, deep conversation at the Waffle House
Headstrong father and a determined mother
Oh, that's why some nights we tried to kill each other
But you know it's always love

We never knew how to fake it
But we always knew how to break shit
Couple nights, threw gasoline on the fire

But if somethin' misread
Or if somethin' got said
Know before the night ends

No, don't get stressed, it's gon' get figured out
Oh, deep conversations at the Waffle House
Headstrong father and a determined mother
Oh, that's why some nights we tried to kill each other
But you know it's always love
But you know it's always love

But you know it's always gon' get figured out
Deep conversations at the Waffle House
Headstrong father and a determined mother
Oh, that's why some nights we tried to kill each other
You know it's only love

But you know it's always love
