

# I'm Diggin' It

Alecia Elliott

Can't eat, can't sleep  
All I do is think about you  
Hold on, what's this feelin'  
That's my heart your stealin'  
That's okay my baby, I don't want it back  
What's this chemistry, such intensity  
And good emotion gettin' through

[Chorus:]

It's your sweet love, I'm feelin' it  
Can't get enough, go figure it  
Madly, deeply, baby I'm fallin'  
Head over heels, I'm livin' it  
Heart and soul, you're givin' it  
I'm thinkin' that  
I'm diggin' it

Come on keep it comin'  
Think you're onto somethin'  
So strong, so right, it's gotta be real  
You're breakin' down the walls and fences  
There's a powerful sense of  
Good emotion gettin' through

[Chorus x 2]
