If It's Magic

Aled Jones

If it's magic...
Then why can't it be everlasting
Like the sun that always shines
Like the poets in this rhyme
Like the galaxies in time

If it's pleasing...
Then why can't it be never leaving
Like the day that never fails
Like on seashores there are shells
Like the time that always tells

It holds the key to every heart
Throughout the universe
It fills you up without a bite
And quenches every thirst

So...
If it's magic...
Why can't we make it everlasting
Like the lifetime of the sun
It will leave no heart undone
For there's enough for everyone
