Cold Hours

aleemrk

Barish ho rahi bahir or mein kamre me akela
Andhera bara zaalim mujhe sone nahi dera
2 ghante se likhne kee mein koshish hee kar raha hu
Apne Ghar ke andar ghar bana ke betha hu mein mera

Laazim nahi hai mujh pe ke me sunu sab kee baate
Par me sun leta hu kyun ke thora naram dil jo thera
Jaana teri yaade mujhe sone hee nahi deti
Laite laite is bistar pe kab ho jaata hai sawera

Mujhe nahi pata hai mujh se mat poocho na
Apne khuwaab poore karne ke lie sab kho dunga
Pehle hee sab kho chuka hu, ab kya khaak kho dunga?
Akelepan me lagta hai poori raat ro dunga

Mein teri yaad me asliyat se bhaag ke
Jaunga kaha mein mujhe bas bata de aaj ye
Zindagi tamasha jo kamata wo uraata
Chand bachata kyun ke idhar kaafi pesh hote haadse

Aleem kidhar gayab hogaye ho?
Na khud se karte message na reply dete ho
Socially inactive, interactive nahi ho zara
Aise nahi the pehle jaana kya se kya hogaye ho ayee

Kidhar gayab hogae ho?
Dekhte dekhte duniya kee tum vibe hogaye ho
Easily 2 gaali de kar aa sakte tum aage
Par tum aana nahi chahte bare nice hogaye ho

Kab se meri jaan
Jab se mile zindagi me kuch aise insaan
Jin kee waja se badalna para khud ko mujhe poora
Bara dikhne ke chakkar me wo jatate the ehsaan

Wo bhi baat baat pe
Wo bhi baat baat pe
Ek waqt tha kaafile me larkay 8 8 the
Ab 8 minus 4 mene 4 kar dia
Dhokebaazo ko circle se mene bahar kar dia

Life is good when i talk to my self daily raat me
Zehen me sawaal 36 ghoome teri yaad me
Gaining all this money and I am getting all this fame
Mujhe dar laga rehta hai kahee bhool na jau aukaat me

Nikal na jau hath se phir se ek or baar me
Aur nahi hai himmat ke ab sahu ek or haar me
Masle ye zameen pe sulajh nahi rahe mujh se
Or ye message kar ke kehte Aleemrk tu star hai

Sab ko mujh se khaar hai duniya bari laanti
Gonna be on top mere vision ko nahi jaanti
Chup rehta hu is ka matlab ye nahi ke kuch dikhta nahi hai
Khud hee khud ko bana rahe ho if you think I can't see

Feels like i am born to be lonely

Roz ye andhera kare parwah mere zone kee
Roz ye andhera mujhe deta hai andesha
Jo tu dooba in gehraiyon me to aadat chuti phone kee

Aint social khud se baat karu roz me
Band karu aankhe lage kum rahu hosh me
Kum karu baate rakhe kum bande close
Mene has ke kari baat sirf ye nahi kaha tu dost hai

Ain't rude, I just can't pick a side
Dono taraf idhar jalan dono taraf idhar lies
Dono taraf idhar ego dono taraf se me nice
Dono taraf me nahi dekhu meri eyes on the prize hai

Umar bees but I swear zehen tees ka
Pehle din se real bhooka nahi tha kabhi reach ka
Pehle din se fear mujhe girne ka raha nahi cuz I
Started from the bottom I guess aise hee banda seekhta

Aise hee seekhta aise hee banda seekhta
Roz gir kar roz uth kar zindagi me seekh gaya
Aise hee seekhta aisa hee banda seekhta
20 saal kee umar lage zindagi me seekh gaya
