Hasrat

aleemrk

Aye khuda karam kar tu kar de kareeb apne
Abhi to jeena hai mujhe poore karne ghar ke sapne
Naram mizaaj tha halaato ne banaya sakht hai
Koi nahi sagha mera dikhaya mujhe waqt ne
Koi mera sagga nahi yaha kis ne mera haal dekha
25 hazaar kee nokri kese ghar sambhaal lega?
Maangenge chawal to kese un ko daal dega?
Tujh se nahi pooch raha ye khud se hai sawaal mera
Khud se sawaal mera barhunga me aage kaise
Pairo me kaanch hai to sarko pe hum bhaage kaise
Nishaana daage kese teer ka ata pata nahi hai
Pasand hai paisa us ko , meri is me khata nahi hai
Haan us me wafa nahi hai kyun is me nafa
Nahi hai
Usse to aaj tak lagta hai rab bhi us se khafa nahi hai
Agar wo rootha nahi to dil me kyun sukoon nahi
Me bikta nahi hu mujhe bazaaro me dhoond nahi
Jab aap kuch kar nahi sakte mere baare bako ge hee
Sagho ka sath kaise chorte dekha sagho se hee
Thaali hai khaali to gayab saare jaali
Likin jab bharegi sab se pehle tum hee usko chakho ge bhi
Umar thi 7 dekhe ghar me 4 janazay mene
Jhoot nahi bolunga bhund maare hai daba ke mene
Choti si umar me hee jalan dekhi rishto me
Rashan aate dekha apne ghar pe mene qisto pe
To mujhe sikha mat ke zindagi hai tough kitni
Or na hee sikha mujhe kese yaha par chalna hai
Mera koi aim nahi hai ghar me vigo khari karna
Bas mujhe kisi ke bhi paiso pe nahi palna hai
Bohot kuch yaad aata hai tere ek yaad aane se
Bhooka hee mar jau me ye behtar hai aas khaane se
Khud se naraz hu kiya larunga zamanay se?
Kiya hee tere raaz kholu khud ko kehta hu jaane de
Kasam se mujhe meri zone ke nahi lagte tum
Kasam se mujhe thore dogle bhi lagte tum
Kabhi tareef karte kabhi karte geebat saale
Sach batau to mujhe hosh me nahi lagte tum
Aye khuda me jab bhi zindagi me thokar khaata
Me saare kaam chor ke sajda karne pohonch jaata
Or jab bhi zindagi ye baaziya jeetati hai
Mein bhool jaata hu tujhe mujhe neend kese aati hai?
Han mera bachpan mera larak pan tha
Dabaya duniya ne to seekha mene karak banna
Han Meri khuashe hai choti par wo jaib pe kaafi bhaari hai
Maa ko karna hai hajj or wo meri zimedaari hai
Khushiyan saari side kari khuaisho ko taal kar
Aage bhara khud phir sab ko dil se me nikaal kar
Kaha aata jaata hai tu khaana kyun nahi khaata hai
Me taras gaya hu maa tu phir se wapis ek sawaal kar
Dekh na zamaane ne ye kesa mera haal kiya hai
Qismat ka bhi phadda mujh se dekh kesa zawaal diya hai
Mera to sar maa unchaiyo ko choota tha
Aaj ana ko bhi apni mene 6 ft andar gaar dia
Ye to wo dukh hai jo batae mene
Ab wo socho jo chupa raha hu
Mehfil me bethoge to jaano ge na mujhe tum
Un kee nazar me to hamesha bura raha hu
