

Jaan Kaari

aleemrk

Jaan maari mene jese hee thori jaan maari
Bana thora naam mere kaam kee le jaan kaari
Jaan maari mene jese hee thori jaan maari
Kaam pohoncha logo tak ab log bole kaam bhaari

Jaan maari mene jese hee thori jaan maari
Bana thora naam mere kaam kee le jaankaari
Jaan maari mene jese hee thori jaan maari
Sila mila mujhe kyun ke mehnat se me bhaagta nahi

20k subs par 20 bhi na sage lage
Jitna rakhu faasla ye utna mere matthe lage
Hum apni jage par hai tum hee kar rahe side spin
Hate over hate culture ganda hota aye din
Vibin in the city jese city poori vice hai
Kalam kala kagaz or ek sasta sa mic hai
Passion karte follow apan thookte nahi hype pe
Aine se pooch kiya tu izzat ke laiq hai?
Mere se ziada kis ne dekhi idhar wafadari
Oh sorry galti hogai bolna chah raha hu dagadaari
Wo mujh se thaki haari phir bhi mera nafa khaari
Wanna be ye gangsters pollute kare jaga saari
Kalakari mere nas nas me studio in ke 10 gaz ke kaam phir bhi thap karte
Kalabhaari har shaqs pe G banna bas kar de mic pe ye bhala chahte asliyat me
kumzarf hai
Mere saamne yaha artist to bohot bike
Mere aane se market me khauf dikhe
Tere yehi khata bhai tujhe nahi pata bhai
Jaag jaag ke roz bhai tera maut likhe
Jo teri sohbat hai wo mere chaukhat pe
Kyun tere shauq bare ghar bhaage 9 baje
Kyun kare crime beta uni me law parhe
Tu parhe time mera kyun mera nokar hai?
Akela pan me mehsoos karu aaj kal
8 log 56 baate sunta nahi me khaas kar
Sangate badalti hai har 2 ghante transfer
Tu seekhe agar kuch bhi mujh se aage us ko daan kar
Kala se mehroom na reh koi bhi cycle chalni chahiye
Zameen se zameen ka rishta mujhe koi par nahi chahiye
Har dhoka aqal de barso se chal raha puzzle ye
Aap hee batae kiya mujhe kitaabe ab bhi parhni chahiye?
Mujhe koi dar nahi chahiye marna nahi pachtawa le kar
Duniya se jaana chahta hu chehra me
Hastawa le kar
Roya me kitni baar kitno ka pait kattawa dekh kar
Kitni baar me chen se soya khud ko sait bantawa dekh kar
Har gaana aisa ke har gaana lage game changer
Zara sa badla nahi hai aleemrk fame le kar
Khush hota logo kee me list me khud ka name dekh kar
Order kar tu bars mere delivery du same day par
Aamdani hathe lage tabhee khud ka pait bharte
Bichae jab dastar khaan ye larke baap ke maiz par the
Minto me case bharte halaato ko face karte
Hustle ke andaza laga sapno me bhi stage par the
Beta hum jaib bharte beshak tu hasad kar
Jaha tera guzar ho wo jaga kehlae hasad gar
Beshak na pasand kar dislike ka option khula hai

Par like kar ke ye mat samjh teri meri sulah hai
Na kabile-bardasht meri sangat me sirf baat 2
Pehli chaal baazi dusra ghamand leke zaat ko
Maa behen pe jab baat to chamat pe chamat bro
12 saal ke bache dikhae aankhe apne baap ko
Tere me pani nahi hai tu itna sani nahi hai
Controversial artist inhe izzat kamani nahi hai
Chalte reh lala jab parega hum se paala
Tujhe tabhee samjh aegi beta abhi aqal aani nahi hai
Ab tujhe kiya hee batau dekha mene kiya kiya
Me rapping karne laga to ilaaka poora jhaanka
Ilaaka dekh ke hakka bakka larka aakhir kar raha kiya
Larka bola larke 12 le aa larka darta na
Larka aage bharta nahi to larka aage karta
Larka in se darta to phir larka seerhi charta na
Ab seerhi char gaya to U-turn ka scene nahi hai
Sab kar rahe khud hee koi STUDIO kee team nahi hai
Jab se rakha mene scene me pair
To apno se ziada pyaar de rahe hai gair
Me rukunga nahi kabhi jhukunga nahi
Thora sabar rakh jaanega poora sheher
Kalam azaad jo marzi likhunga
Real recognise Real chand ko hee dikhunga
Nizaam hee hai aisa me kiya karu bhai
Sona ban bhi gaya pathar ke mol hee bikunga

Jaan maari mene jese hee thori jaan maari
Bana thora naam mere kaam kee le jaan kaari
Jaan maari mene jese hee thori jaan maari
Kaam pohoncha logo tak ab log bole kaam bhaari

Jaan maari mene jese hee thori jaan maari
Bana thora naam mere kaam kee le jaankaari
Jaan maari mene jese hee thori jaan maari
Sila mila mujhe kyun ke mehnat se me bhaagta nahi
