Please Me!

aleemrk

Hey can you please me?
Kyun ye nazdeeki
Kyun ab tak tik nahi paya hu mein ek jaga
Dil de kar pooche kya tu theek hai
Khuwaisho pe jeena kya ajeeb nahi?
Jo baate bani meri khaatir teri
To tu reh lena arse khafa
Hey can you please me?
I ain't that easy
I never said ke tu yu han me han mila
Har jaga tera hee to shor hai
Faaslo pe chale mera zor nahi
In logo ke beech agar reh na saka
To kyun samjhu me is ko saza?

Fuck all this pain apne shauk se gaata hu
Apni zone me jaata hu
Aur phir laut ke aata nahi
Likin
Tera sath to chahta hu
Teri aas me aadha hu
Tere naam pe jaaga hu
Likin
Ya to rehna mana hai
Jo rehna hai to moo pe kuch kehna mana nahi
I am looking for someone jo khud me hee gum ho
Mein sath reh ke bhi kaafi maangta space

Hey can you feel me?
Sober to hai hee nahi
Sophisticated you dont care ke hum kaha
Lagta to yehi hai ke bhool gaye
Hath me bhi nahi hai na khak ab
I'm smoking those trees mujhe roke nahi please
Meri apni us duniya me set sab
Painless
I act like I'm done lekin best yet to come
Gonna make that
Legacy first na koi wehem na qarz
Fuck that
Agar soche ye kal ko ke
Inke ishaaro pe dekhunga kal
Saalo lagane hai idhar mujhe
Mein nahi kehta is kalam ko maqsad pe chal
Mere raaste alag hai mene raabte banae
Likin kaam se bane hai khud hee
Tere faasle gazab hai tere aasre pe shaq hai
Mein to raat se yu betha dukhi
Har marz kee dawa hai
Kuch farz jo mein bhoola waha dil na laga hai
I'm looking for someone jo jeena sikha de
Mein apne tareeke se jeeta hu shit

Hey can you please me?
Kyun ye nazdeeki
Kyun ab tak tik nahi paya hu mein ek jaga
Dil de kar pooche kya tu theek hai

Khuwaisho pe jeena kya ajeeb nahi?
Jo baate bani meri khaatir teri
To tu reh lena arse khafa
Hey can you please me?
I ain't that easy
I never said ke tu yu han me han mila
Har jaga tera hee to shor hai
Faaslo pe chale mera zor nahi
In logo ke beech agar reh na saka
To kyun samjhu me is ko saza?
