SAR-E-AAM

aleemrk

Is game ki mili mujhe noc
Kaam jo bhi karu hota an oc
Nahi hai koi jin mera pen oc
Hype cash kare bina kese chen logi
Tere girne kee waja tera ban OT
Mere bharne kee waja I can OT
Banai apni worth bina canopy
Mene kitne collabo ko N O kee
Hype cash mujh se hoti nahi bhai
1 chambe pe farigh beef boti kyun khai?
Flashback mere maazi me khai
Izzat de de ke thak gaya par raaz hee nahi ai
Ther be ye sheher deta zeher or wehem agar lagta koi ehem tera sathi hai
Gair the sab sheher me mere machai mene keher bata kon mere sath nahi hai
Or do log beta or do tok beta orthodox betha horoscope dekha
400 chot leke kaam poora dope deta char chor kon beta warzone khod deta
Jaa jaa mila chamcho ko phone beta milte hee latency jale microphone beta
Nice to see kumi iq kee hum pta dono tere peeche laga non beta
Chal chal ye baat saari baad kee
Sab ko pata hai ke kon kis ka maazi
Kon kis se raazi or kisi kee hati wi
Meri ek adat buri side leta kabhi nahi
Tabhee hee inkee hatti hai mujh se
Kabhi nahi tu dekhega gardan ye jhukte
Nil batta skill bhaari bharkam kyun look de?
Din ke 2 verse likhu phasa tu hook me
A level me betha parhai me or game me
Aleem mayne ilam to kyu baatu na game me?
Tu paise or shohrat ka rishta rakh game se
Me izzat du game ko to izzat dee game ne
Karachi se bombay kee Chowpatty
Me aane waala kal is me 2 baat nahi
Mere khuwabo me kamyabi roz aati
Me thak gaya hu dekh ke ye Showbaazi
No diss notice kese ho banda
Do kiss showbiz chalta reh dhanda
Chaubis focus hisaab nahi hai dhan ka
Tu aam sa ek shehri kyun wanna be banta
Shuruwaat, sach baat, 10 laat moo par
Thook raaz roop 7 dekhega choot kar
Maut aaj bohot khuwaab jure nahi toot kar
Door bhaag khoob art chalti hai loop par
Bol na tu ne dekha nahi kiya?
Ke ek minute chen se me leta nahi tha
Bhund hua raato ko betha NIPA
Call kese milata bhai data nahi tha
Bohot deep bohot deep kon idhar bohot deep
Kon khud ka boss to phir kis kee hui boss seat?
Kon rehta offbeat kon chale north east
Kon maa ka laal yaha predict kare toss bhi?
Kon kha ke daal bole saha mene loss nahi
Kon chal ke chaal bole sorry mujhe hosh nahi
Meaning less bars in kee baat me koi cause ni
Tu Skill se nabeena kese lega mera roshni
Zindagi crypto bharta or girta
Shor ziada kaam kum me kyun in se bhirta?
Maut ka bharosa nahi milenge phir kaha?

Har zaat ka dost sath apan dekhte nahi firka
Rapper hai rap kar laalchi to cash kar
Vibe meri match kar bhaari hum mass par
Khush hote behes par chup kar ke aish kar
Choola mera jala to ye larke sab gas par
Ye laya map par me wo laaya map par
Abe meri jaan pehle khud to aa map par
Stats dekh maths parh gabbar sirf net par
League me koi champion nahi ban rahe Manchester
United kon city me bol be?
Lobby banate ye dogle
Kasam se koi inhe rok le
Pehle din se rakha inhe nok pe
Abhi mujhe pe bhi lagengi tohmate
Mere aane se patte jo kate
Mere kaam me bhi jaan mera kaam pe hee dhyaan
Tabhee har jung meri ho fateh
4 saal ab bhi sunte hai Rebirth hum
Weak tere bars kare free verse hum
Urdu rap aim or me jese asmaan me
Gosht ko dekh kare eagle jump
Tera mood off kyun ke tu ne pee kal kum
Mera mood off meri kal chali nahi kalam
Wo collab ke lie call mujhe karte reh gaye
Mene call nahi uthai un ka toot gaya bharam haan
