

# Money Tree

Aleesia

I wish that they would call my name on Price is Right  
And spin the wheel with fancy lights  
I wish that I could live a life so lavishly  
With no responsibilities

And I wanna know what it'd be like, it'd be like  
To live that young, rich and wild life, wild life

I wanna ride in limousines in the backseat  
Grow some money on my backyard tree  
I want expensive things given to me  
Have Prince William wait on me  
Like oh, whoa-oh, whoa-oh  
Imagine what my life would be  
Oh-oh, whoa-oh

If I could grow a money tree  
Imagine what my life would be  
If I could grow a money tree  
If I could grow a money tree

I wish that I could build a castle in Dubai  
Turn stars to diamonds overnight  
I wish that I could bathe in hundred dollar bills  
Still leave a fortune in my will

And I wanna know what it'd be like, it'd be like  
To live that young, rich and wild life, wild life

I wanna ride in limousines in the backseat  
Grow some money on my backyard tree  
I want expensive things given to me  
Have Prince William wait on me  
Like oh, whoa-oh, whoa-oh  
Imagine what my life would be  
Oh-oh, whoa-oh

If I could grow a money tree  
If I could grow a money tree

So I'll keep on playing lotteries  
And maybe one day I'll win  
And live like the stars, we'll eat caviar in our fancy cars  
Oh could you imagine

If I could grow a money tree  
Imagine what my life would be  
If I could grow a money tree  
Imagine what my life would be  
If I could grow a money tree
