Ladies and gentlemen Yes, sir Let's do it Yes, sir

Yo, on and on and my nuts, I'm palming
Take two of these and call me in the morning

Flying like a bird like Nelly Furtado

Shit, pop ya bottles, toast and scream, ?Cheers!? Getcha two step ?'cause it's the record of the year Nigga that brought you ice creams, 2 for a pair Officially announcing this is warfare

?'cause back in the day my clouds was gray
And it seemed like my angels couldn't blow them away
But then I sold my first verse and copped that NSX
But I was still ridin' in them thin ass jets, but now

Man, my business so clear out the window of the Lear And I'm talking on my celly, all this shit that you should hear Listen clearly now Hello, can you hear me now?

And act like ya tryin' to get this money right quick

Riding up and down Collins in that new two-tone

It's so cold you don't wanna feel the chill of it
(Uh!)
Just stand back and just look at the grill of it
(Uh!)

I don't smoke but I bet the sensamill of it It totally intensifies the vivid ass appeal of it
