

# I Was Drunk

Alejandro Escovedo

I was drunk,  
I was down,  
I was wanderin' round my bed,  
I was drunk,  
I was down,  
I was wanderin' round my bed

I called out your name  
Called out your name

I was bleedin',  
I was exhausted,  
I was sufferin' from the altitude

Picked up your scent and lost it,  
Then I suffered from your attitude

I called out your name  
Called out your name  
Called out your name  
Called out your name

I was summoned,  
by the angels,  
to be hung beside your picture  
Not allowed to feel,  
to touch,  
to hold,  
forever imprisoned at long  
I called out your name  
Called out your name  
Called out your name  
Called out your name

I was drunk,  
I was down,  
I was wanderin' round my bed,  
I was drunk,  
I was down,  
I was wanderin' round my bed

I called out your name  
Called out your name  
Called out your name  
Called out your name
