

Wedding Day

Alejandro Escovedo

Out where the Valley lies,
Out where the Eagle flies
On your Wedding Day -----
Long as the river runs,
Long, as the time to come
So I've got to say -----
That you look so fine
You were locked in time
By the ring that binds you
On your Wedding Day -----
On your Wedding Day -----

Out where the evening stars
Shine as to lovers dance -----
On your Wedding Day -----
Long as the Veil that runs
Strong as a promise sung
So I've got to say -----

That you look so fine
You were locked in time
By the ring that binds you
On your Wedding Day
