

Lifestyle

Alemán

¡Uh-uh!

Elijah King, baby (Alemán)

I got a thing for the lifestyle
Hundred thousand bills, make 'em fly, yeah-yo'
I can't believe it's my lifestyle
I make that pussy drip, with the ice that's froze

I'm feeling it drip, feeling it drip, yeah, oh
Ooh, I'm feeling it drip, feeling it drip
Uh, I can't believe it's my lifestyle
(Ejejeje, wuh, lifestyle)
Ma-ma-make that pussy drip, with the ice that's froze
(Oh shit, no lo puedo creer, güey, ey)

Me gusta que mi chiqui tenga un culo como Nicki
Anillo en el pinky, millonario como Ricky
Mexicano como un triqui, ando arriba, estoy bien sick
Fumando caca de chango del mismísimo Rafiki
Chingones pa'l grafiti, el Buster sabe que ando trippy
Fumamos como hippies, mi ho sabe que soy chipi
Y ahora sí ya tengo groupes, un jetski de la Suzuki
Ando más fino que El Buki con la Holy y con la Cookie'

I got a thing for the lifestyle
Hundred thousand bills, make 'em fly, yeah-yo'
I can't believe it's my lifestyle
I make that pussy drip, with the ice that's froze

I'm feeling it drip, feeling it drip (Yeah, oh)
Ooh, I'm feeling it drip, feeling it drip
Uh, I can't believe it's my lifestyle
Ma-ma-make that pussy drip, with the ice that's froze

Yeah, I got that whip with the car on fifth
With the 95th, hit that fifty-fif
In the club still lit, got the moves like Meek
Love the kids like trick, got a bitch so thick
Get the pussy real wet, got the RAWs on deck
When I wanna flex, money roll, express
Ring it up, more checks, cop a new Rolex
All gold, no tick, I'm slick like Rick, oh yeah
All my shawty is put the jewels up on her
Take her to mi casa, throw the smooth all on her
What she want she get it 'cause I do what I wanna
Paid all my dues, now everybody eat
Sit at my table, buffet all week

I got a thing for the lifestyle
Hundred thousand bills, make 'em fly, yeah-yo'
I can't believe it's my lifestyle
I make that pussy drip, with the ice that's froze

I'm feeling it drip, feeling it drip (Yeah, oh)
Ooh, I'm feeling it drip, feeling it drip
Uh, I can't believe it's my lifestyle
Ma-ma-make that pussy drip, with the ice that's froze

Oh, wuh
El más famoso del gueto, primera clase el boleto
Ahora ya tengo repleto de oro y diamantes a mi amuleto
Ahora ya no escatimo, las pacas encima y encima
Soy igual a cuando nos conocimos, solo que ahora me espera una limo
Un deportivo con doble escape, un Lamborghini pa' que lo derrape
Otro Pérignon para que lo destape, ando viviendo mi sueño de rapper
Ya pasó lo de dormir en un zarape
Ahora puras sábanas de seda para que me tape

I got a thing for the lifestyle
Hundred thousand bills, make 'em fly, yeah-yo'
I can't believe it's my lifestyle
I make that pussy drip, with the ice that's froze

I'm feeling it drip, feeling it drip (Yeah, oh)
Ooh, I'm feeling it drip, feeling it drip
Uh, I can't believe it's my lifestyle
Ma-ma-make that pussy drip, with the ice that's froze

El más famoso del gueto (Oh, yeah, ah)
Ah-ah, ah-ah
El más famoso del gueto (Oh, ah)
Elijah King, baby (Alemán)
Let's go
