

# Don't Ever Let Me Go

Alesha Dixon

In life the things that we try  
Don't work the first time  
It's OK you gotta start again  
And rewind the tape babe  
Ya get paid yeah you made a mistake  
But you're telling the story  
It's OK take a break cos tomorrow's  
A brand new day  
So I'm looking high in every place and I'm  
Following everything within my heart  
I thought that I could make a difference  
I feel like I am falling from the star

Babe,  
Don't baby ever let me go  
Don't baby ever let me go yeah  
Don't baby ever let me go  
Don't baby ever let me go

It's hard to say this  
But I feel I've fallen down, fallen down,  
Fallen down  
It's hard to say this babe  
Feel like the time has come around  
Waited too long  
Waited far too long  
I'm looking high in every place and  
I'm following everything within my heart  
I thought that I could make a difference  
I feel like I'm falling from the stars

Babe,  
Don't baby ever let me go  
Don't baby ever let me go, yeah  
Don't baby ever let me go  
Don't baby ever let me go, babe  
Don't baby ever let me go  
Don't baby ever let me go, yeah  
Don't baby ever let me go  
Don't baby ever let me go

And I'm just cool, so cool  
Just the way I like it  
Cool yeah yes I'm cool

Don't baby ever let me go  
Don't baby ever let me go, yeah  
Don't baby ever let me go  
Don't baby ever let me go, babe  
Don't baby ever let me go  
Don't baby ever let me go, yeah  
Don't baby ever let me go  
Don't baby ever let me go
