

Drummer Boy

Alesha Dixon

I think I need a better drummer

I need a drummer boy (boy)
A better drummer boy (hey)
Pick up your stick (ha)
Hit me with your best (shot)

Ehh, Ohh, Oh-

I need a drummer boy.
Be my little drummer

Ehh, Ohh, Oh-

Pick up your stick (ha)
Hit me with your best (shot)

I need a fella
Who is fancy
Step into my love. I'll show you how to romance
He give it to me, to the beat of the drum

Swing away, and away. Ba da pa (pa)-

I can't hear it. I wanna hear it.
Louder, Louder, Louder

I need a drummer boy (boy)
A better drummer boy (hey)
Pick up your stick (ha)
Hit me with your best (shot)

Ehh, Ohh, Oh-

I need a drummer boy.
Be my little drummer

Ehh, Ohh, Oh-

Pick up your stick (ha)
Hit me with your best (shot)

I like them strong
Simple and dumb
They wanna bang my drum
But it can't be done

They like the way I shake my tambourine
I got a boom and a bing, baby you never seen

Turn me on, baby
I'm the boss
Mean what I say, and say what I mean

I can't feel it. I wanna feel it.
Harder, Harder, Harder

I need a drummer boy (boy)
A better drummer boy (hey)
Pick up your stick (ha)
Hit me with your best (shot)

Ehh, Ohh, Oh-

I need a drummer boy.
Be my little drummer

Ehh, Ohh, Oh-

Pick up your stick (ha)
Hit me with your best (shot)

(1-2-3-4. Hey. Hey.)

I can't hear it.

(Hey. 1-2-3-4.)

I can't feel it. I wanna feel it.
Harder, Harder, Harder

I need a drummer boy (boy)
A better drummer boy (hey)
Pick up your stick (ha)
Hit me with your best (shot)

Ehh, Ohh, Oh-

I need a drummer boy.
Be my little drummer

Ehh, Ohh, Oh-

Pick up your stick (ha)
Hit me with your best (shot)
