Turn It Up
Alesha Dixon
Come on yeah

Feel the pulse when the bass line drop
Wind ya body to the up town ride
Stomp ya feet give it what you got
Come on everybody
Turn it up
Feel the pulse when the bass line drop
Wind ya body to the up town ride
Stomp ya feet give it what you got
Come on everybody
Turn it up

The sound is ma maximum
And the beat vital
Ask oxygen
Jump off when the record spin
