

Non Stop

Alessandra

Get you going non stop
Wear you up and down
So hot
Get it rockin' now
Boy what are you waiting for
Yeah baby gimme more
I'll get you going non stop
Get you, get you, get you

Aha
Okay
I know the game
You're tryna play
Don't need no chase
You want me and I want you
Tell me what you wanna do
We can get it going non stop

Hey baby tell me how you like it
You wanna take another bite yeah
We can play on the floor
To the window, to the door
Get it on, get it on, get it on

Get you going non stop
Wear you up and down
So hot
Get it rockin' now
Boy what are you waiting for
Yeah baby gimme more
I'll get you going non stop

Get you going non stop
Wear you up and down
So hot
Get it rockin' now
Boy what are you you waiting for
Yeah baby gimme more
I'll get you going non stop
Get you, get you, get you

Boy it ain't no shame
If every time we touch
You melt away
Ooh
I make you feel like you wanna
And when you come in I'm gonna
Look in my eyes when you in and we fu uh

Hey baby tell me how you like it
You wanna take another bite yeah
We can play on the floor
To the window, to the door
Get it on, get it on, get it on

Get you going non stop
Wear you up and down

So hot
Get it rockin' now
Boy what are you waiting for
Yeah baby gimme more
I'll get you going non stop

Get you going non stop
Wear you up and down
So hot
Get it rockin' now
Boy what are you waiting for
Yeah baby gimme more
I'll get you going non stop
Get you, get you, get you
