Pretty Devil

Alessandra

Pretty pretty pretty pretty
Pretty pretty pretty pretty devil
You pretty devil

Pretty devil, you got it all
Moving elegant
Like a criminal

Captivated by how you walk
Irresistible
I'm in devil's awe

Don't be scared to step into the fire
You got the power

Show off (I love it)
The way you let your body do the talk (I love it)
So baby, I'mma never get enough (I love it)
Oh my god, you're such a rebel
You pretty devil

Oh baby, you're a
Pretty pretty pretty pretty
Pretty pretty pretty pretty devil
You pretty devil

Oh baby, you're a
Pretty pretty pretty pretty
Pretty pretty pretty pretty devil
You pretty devil

Got me questioning my innocence
When you're walking in
Makes me wanna sin

Oh I love what you do to me
My protagonist
Angel's enemy

Don't be scared to step into the fire
You got the power

Show off (I love it)
The way you let your body do the talk (I love it)
So baby, I'mma never get enough (I love it)
Oh my god, you're such a rebel
You pretty devil

Oh baby, you're a
Pretty pretty pretty pretty
Pretty pretty pretty pretty devil
You pretty devil

Oh baby, you're a
Pretty pretty pretty pretty
Pretty pretty pretty pretty devil
You pretty devil

So baby, go, be divine
You're designed to be a
Pretty pretty pretty pretty
Oh, such a crime
How you lying, shying, hiding
You gotta

Show off (I love it)
The way you let your body do the talk (I love it)
So baby, I'mma never get enough (I love it)
