

Supposed To Be

Alessandra

Sorry, but I won't lose my ways
Because you want me to
Melodramatic I'll be showing off and you'll be watching, mmm

Gotta show them who we are
All the colors and the scars
Give love to your enemy
And if they wanna keep on hating
Well, just let them do

Yeah, I'll be dancing in the clouds
Even when rain is pouring down
I will be singing my heart out
Can't you see this is who I'm, supposed to be
This is who I'm supposed to be...

Watch me while I'm having fun moving my body, yeah
'Cause I'll keep on dance, dance, dance, dance
I can shake it for you
You won't get in my way

Yeah, I'll be dancing in the clouds
Even when rain is pouring down
I will be singing my heart out
Can't you see this is who I'm, supposed to be
This is who I'm supposed to be...

Who I'm supposed to be
Who I'm supposed to be

Look at me flying in the sky
Yeah baby, I'm loving the high
Oh, are you ready for the ride?
Can't you see this is who I'm supposed to be

Yeah, I'll be dancing in the clouds
Even when rain is pouring down
I will be singing my heart out
Can't you see this is who I'm, supposed to be
This is who I'm supposed to be...
