

Moody's Mood For Love

Alessia Cara

There I go, there I go, there I go, there I go, there I go
Pretty baby, you are the soul, snaps my control
Such a funny thing but every time you're near me I never can be
have
You give me a smile and then I'm wrapped up in your magic
There's music all around me, crazy music
Music that keeps calling me so very close to you
Turns me your slave
Come and do with me any little thing you want to
Anything, baby, just let me get next to you
So am I insane or do I really see heaven in your eyes?
Bright as stars that shine up above you in the clear blue skies
How I worry 'bout you, just can't live my life without you, bab
y, come here
Don't have no fear
Oh, is there a wonder why
I'm really feeling in the mood for love?
So tell me why stop to think about this weather, my dear?
This little dream might fade away
There I go talking out of my head again
Baby, won't you come and put our two hearts together?
'Cause that would make me strong and brave
Oh, when we are one, I'm not afraid, I'm not afraid
And if there's a cloud up above us, come on and let it rain
I'm sure our love together will endure a hurricane
Oh, baby, won't you please let me love you and give me relief f
rom this misery?

What is all this talk about loving me, my sweet?
I'm not afraid, not anymore, not like before
Can't you understand me?
Baby, please pull yourself together, do it soon
My soul's on fire, come on and take me
I'll be what you make me, my darling, my sweet

Oh, baby, you make me feel so good, let me take you by the hand
Come, let us visit out there in that new promised land
Maybe there we can find a good place to use a loving state of m
ind
I'm so tired of being without it, never knowing what love's abo
ut

Jon, you can come on in and you can play now if you want to
I'm through
