

## Unboxing Intro

Alessia Cara

Cloudy blue sky  
Over me  
Echoes of old news  
Lingering  
They're deafening  
No point in anything  
Nothing and everything  
Matters

Am I  
In reality?  
Is it all a dream?  
Such duality  
Animosity  
Need some clarity  
I missed therapy again  
So damn  
Hyperbolic  
Melancholic  
Do I call him?  
I feel nauseous  
Have I lost you?  
Have I lost it?  
Have I almost  
Hit the bottom?
